# SPECULATION IS

Stock Market Is Higher and More Active.

London a Heavy Investor in Steels and Several Railroad Stocks.

NEW YORK, July 28.—The stock market opened generally higher. There was a maximum gain of 1 per cent in Smelting, % in Atchison and Canadian Pacific, % in Metropolitan Street Railway, and ½ in Amalgamated Copper. Steel stocks opened ¼ higher. The tone is apparently one of thorough confidence.

Buying orders were in all parts of the

room at the opening and during the first hour, and there was a general broaden. ing of speculative interests in market af newed accumulation of stocks of import ant roads for strategic purposes. London was a heavy buyer of Eries, Steels, Chesapeake and Ohio, Atchison and especially Canadian Pacific, Commission especially Canadian Pacific. Commission houses bought on a far larger scale than has been noted for many weeks. As prices moved up in the first hour the supply of stocks grew scarcer. There was no special news development, but the behef prevails that the buying in Reading was much more than pool operations or covering of shorts, although a large short interest was created in the stock last week. United States Rubber crossed 50.

crossed 50.

The upward movement in Illinois Central continued. Missouri Pacific was also prominent. The buying of Eries was of the best character, but speculative interests which had accumulated Erie shares in anticipation of the dividend payment on second preterred continued their prefit-taking. Union Pacific rose to 130% on scattered buying, the source of which could not be traced. which could not be traced.
Government bonds unchanged; other bonds firm.

When Mr. Haas entered the room

When the case was called, the attorneys for Haas made a brief statement,

corrimnation; all of the commercial concerns were on the same basis, and there
was no thought on the part of any one
that my relations with the company

A facility for securing tenants by no means establishes an agent's qualifications. Think about it a minute. Receiving your rent each menth does not always mean that your property is paying.
